Lauren Southern	Okay, so I have a feeling there are going to be a lot of angry comments on this video, but let's jump into it anyways...
Bill O' Reilly	So, this is a big story, right?
Pat Robertson	We have a shocker for you today!
Joe Rogan	Boom!
Good Patriot	Okay, let's cut the crap and get down to business...
Lionel Shriver	Who are you?
Rachel Dolezal	I did feel that at some point...
Lionel Shriver	Who are you?
Rachel Dolezal	...I would need to address the complexity of my identity.
Tucker Carlson	But what does that mean exactly?
Lionel Shriver	Most of us spend our lives trying to evolve a nuanced sense of ourselves...
Lacy Jean	We are all individual people...
Lionel Shriver	But as far as the identity politics cabal is concerned...
Brittany Sellner	It's a horrible thing, just like feminism!
Lionel Shriver	...all you are is white.
Pat Robertson	Now you know!
Lionel Shriver	Worse, privileged...
Isaac Butterfield	Christ!
Lionel Shriver	...meaning you should be ashamed of yourself and none of your achievements are to your credit.
Michael Palmer	You know, blah blah blah blah blah...
Bill O' Reilly	It's all a bunch of bull!
Lionel Shriver	You should be ashamed of yourself and none of your achievements are to your credit!
Gavin McInnes	It's fucking ridiculous...
Bill O' Reilly	Stop with this!
Jon Stewart	What I don't understand is... why so defensive about it?
Jane Elliot	What's your question?
Robin DiAngelo	Answer the question, "What does it mean to be white?"
Bill Maher	This is what I'm trying to figure out...
Sara Gonzales	Facing your whiteness is hard...
Bill O' Reilly	STOP!
Sara Gonzales	And can result in feelings of guilt, sadness, confusion, defensiveness...
Bill O' Reilly	Look, you and I are lucky guys—we made it, we worked hard...
Sara Gonzales	...or fear!

Bill O' Reilly	...it's not because we're white!
Michelle Wolf	I know... it's really uncomfortable!
Jane Elliot	Finding out the truth is traumatic...
Bill O' Reilly	STOP!
Anon	Tick tock, tick tock...
Erin	A lot of these people aren't going to hear words like 'white privilege' and understand what it means...
Joe Rogan	Those words—'white privilege'—argggghh...
Bill O' Reilly	White privilege!
Bill O' Reilly	So do you believe in the White Privilege Theory?
Peter Vadala	I firmly believe that being white isn't a privilege...
Bill O' Reilly	Lemme back that up....
Peter Vadala	It is <i>not</i> a privilege to be white!
Isaac Butterfield	Christ!
Jon Stewart	I want you to admit that there is such a thing as white privilege...
Bill O' Reilly	I am not gonna give in to this white privilege stuff!
Pat Robertson	It is absolute a cult, it is absolute nonsense...
Joe Rogan	Those words—'white privilege'—argggghh...
Pat Robertson	So what is it exactly?
Michael Palmer	I know what privilege is...
Bill O' Reilly	White privilege!
Michael Palmer	Do white people have privilege?
Bill O' Reilly	Now in South Africa, when apartheid was in place, yuh, you did...
Michael Palmer	Some of them do!
Bill O' Reilly	But that doesn't mean, that because you're born a caucasian, you have some kind of privileged status... you don't!
Lacy Jean	No!
Jon Stewart	I want you to admit that there is such a thing as white privilege.
Bill O' Reilly	It's all a bunch of bull!
Brittany Sellner	It's a horrible thing, just like feminism!
Michael Palmer	If you look at the whole idea of white privilege... it's racist... you're making assumptions about people...
Isaac Butterfield	Is racism not forming an opinion about someone just on the colour of their skin?
Bill O' Reilly	I am not gonna give in to this white privilege stuff!
Michael Palmer	It's simply put, it's outright racism!
Anon	White people talking about race....
Gavin McInnes	White people (singing)
Pauline Hanson	Now you talk about racism... Let's define the word 'racism'.
Isaac Butterfield	Is racism not forming an opinion about someone just on the colour of their skin?
Pauline Hanson	A racist is a person who believes their race to be superior to another.
Michael Palmer	That's what racism is!

Isaac Butterfield	And when it's reverse racism against white people, that doesn't make it any less horrible....
Tucker Carlson	And yet this is the mindset the left has imposed on our country...
Isaac Butterfield	Some people will say that reverse racism—which is racism towards white people—doesn't exist...
Tucker Carlson	That's the attitude..
Isaac Butterfield	According to Vice, it doesn't fucking exist!
Bill O' Reilly	That is called media bias!
Tucker Carlson	As Vice.com succinctly put it a couple of years ago, quote: "It is literally impossible to be racist to a white person."
Pauline Hanson	I can well imagine if I'd reversed the words!
Isaac Butterfield	It's literally impossible to be a racist towards a white person...
Tucker Carlson	Pretty much the entire left now takes that as a matter of faith. They deeply believe that.
Jane Elliot	Ain't no such thing as reverse racism...
Tucker Carlson	They all think that, every one of 'em...
Lana Lokteff	You know who <i>they</i> is...
Tucker Carlson	They sound very much like old-fashioned bigots...
Lauren Southern	They just hate white people!
Tucker Carlson	Is there really an entire race of people so repulsive, so morally repugnant that it is, quote: "literally impossible" to wrong them?
Isaac Butterfield	What I keep coming back to, is if the races were reversed, it would be a horrible injustice—no doubt!
Good Patriot	Are you recognizing a pattern here?
Lacy Jean	You know, we can have all these people out there supporting the black community. God forbid somebody did that for the white community! That would be racist!
Anon	Tick tock, tick tock...
Anon	White people talking about race....
Wolves + Sheeple	Now let's go ahead and fast forward to 2015!
Bill O' Reilly	And... the most powerful man in the world... is... a black American!
Jane Elliot	And then they find out suddenly that we've got a black president...
Wolves + Sheeple	We have a black president....
Bill O' Reilly	...and the most powerful woman in the world—Oprah Winfrey—is black!
Bill Maher	The president is black, and the secretary of state is a woman...
Isaac Butterfield	The roles have now reversed!
Michael Palmer	Black privilege is more powerful than white privilege...
Ben Shapiro	And yet all we hear now, is that America is deeply racist and black people are still systemically discriminated against..
Joe Rogan	Ha haaaaa
Ben Shapiro	When Obama was president, we were told it meant everything....
Jane Elliot	That's traumatic—that's where the trauma is...
Ben Shapiro	And then, it turns out, it didn't mean anything...

Wayne Dolcefino	You hear this?
Ben Shapiro	...and that black people are still victims in American society.
Wayne Dolcefino	This is the problem!
Jane Elliot	That's where the trauma is!
Anon	Tick tock, tick tock...
Joe Rogan	Boom!
Bill Maher	Am I wrong to <i>not</i> want to see race all the time?
Lacy Jean	If you're black, Mexican, A-rab, fucking Chinese...
Bill Maher	Enjoying somebody's company without thinking every minute, "I'm with a person of colour!"
Lacy Jean	...I don't care, what your race is!
Tomi Lahren	I don't see colour.
Jane Elliot	I'm not a racist... why some of my best friends are black!
Robin DiAngelo	I had a black room-mate in college!
Lacy Jean	...I don't care, what your race is!
Tomi Lahren	I mean I've never used racial slurs to address people...
Wayne Dolcefino	I'm not that guy!
Tomi Lahren	I've never looked down on someone because of their skin colour...
Lacy Jean	Why am I classified as a racist because I am white?
Tomi Lahren	I don't see colour.
Jane Elliot	White people created racism...
Tomi Lahren	To me, true diversity is diversity of thought, not diversity of colour...
Jane Elliot	And when some woman says to me, "I don't see colour"...
Tomi Lahren	I don't see colour.
Jane Elliot	I believe that you don't see colour...
Lacy Jean	Blah, blah, blah...
Jane Elliot	We do that in order to maintain the myth of white superiority...
Erin	You're doing it because you think that you're the good guy...
Jane Elliot	Now we don't want to admit that...
Michelle Wolf	Meeee? No, you can't blame me!
Jane Elliot	...but that's the way it is.
Michelle Wolf	I didn't do anything!
Bill Maher	I'm one of the good white people.... Jesus!
Anon	White people talking about race....
Michael Palmer	So what do we know?
Bill Maher	62% of Americans say they have opinions they're afraid to share!
Tomi Lahren	Because I'm white, so I should shut up?
Pauline Hanson	We can't say anything anymore....
Lionel Shriver	AKA: "Shut the fuck up!"
Pauline Hanson	We can't have an opinion....
Lionel Shriver	And not because we're bigots...
Lacy Jean	Just because people are white, doesn't mean they're racist.

Lionel Shriver	...but because we're fearful that we might inadvertently say the <i>wrong thing</i> ...
Lana Lokteff	...which can lead to being branded as a 'racist' or a 'nazi.'
Lionel Shriver	Using the wrong word, reaching for the wrong pronoun...
Pauline Hanson	I don't believe it's just about words...
Milo Yiannopoulosall this kind of like hurt feelings brigade!
Pauline Hanson	We can't say anything anymore.... We can't have an opinion....
Milo Yiannopoulos	The left has demonised and censored people who don't take its taboos seriously.
Lionel Shriver	Self-censorship is rife, persecution common...
Bill Maher	Every thought needs a disclaimer now...
Tucker Carlson	It's totalitarian!
Lacy Jean	Why is it that I have to censor myself because of <i>your</i> skin colour?
Tomi Lahren	Because I'm white, so I should shut up?
Lacy Jean	I will speak however the fuck I want!
Sarah Palin	And that's not hate speech... it's common sense!
Anon	Tick tock, tick tock...
Benjamin Boyce	What's your take on...
Isaac Butterfield	Uh, white fragility?
Benjamin Boyce	...white fragility!
Isaac Butterfield	It's a bestseller....
Pat Robertson	It is absolute a cult, it is absolute nonsense!
Isaac Butterfield	Racist, horrible garbage!
Joe Rogan	Ha haaaaa
Michelle Wolf	I know... it's really uncomfortable...
Michael Palmer	You know, blah blah blah blah blah...
Robin DiAngelo	Who's made uncomfortable by this conversation?
Isaac Butterfield	It has been debunked by so many different people...
Robin DiAngelo	Who does it serve...
Isaac Butterfield	...and yet they're still putting it forward.
Robin DiAngelo	...not to have this conversation?
Isaac Butterfield	Why? Because it's popular to do it against white people.
Anon	White people talking about race....
Jon Stewart	What I don't understand is... why so defensive about it?
Sara Gonzales	Facing your whiteness is hard...
Tucker Carlson	Whiteness! White rage!
Sara Gonzales	...and can result in feelings of guilt, sadness, confusion, defensiveness or fear!
Tucker Carlson	They talk about whiteness!
Jane Elliot	That's traumatic - that's where the trauma is...
Tucker Carlson	In universities, it has become an article of faith, that were it not for the indelible stain of whiteness, America could be a utopia.
Mike Smerconish	The University of Kansas is offering a class on the study of just that...

Bill O' Reilly	Global Whiteness!
Mike Smerconish	And as you can imagine, there are some heated views about the class...
Bill O' Reilly	We're gonna have a course on white people...
Gavin McInnes	White people (singing)
Bill O' Reilly	...but they're <i>bad!</i>
Michelle Wolf	Meeee? no you can't blame me!
Bill O' Reilly	...they're <i>bad!</i>
Bill O' Reilly	White people are people...
Lionel Shriver	But as far as the identity politics cabal is concerned...
Lionel Shriver	...all you are is white!
Isaac Butterfield	Christ!
Jon Stewart	Why is that white people get so defensive about this?
Jane Elliot	Because if white people have to give up the colour of their skin as being something that makes them perfect, what do they have left?
Pat Robertson	Now that's 'Critical Race Theory'...
Tucker Carlson	Critical Race Theory!
Jane Elliot	If we start teaching the truth about history...
Bill O' Reilly	It's all about white supremacy, white supremacy, white supremacy....
Tucker Carlson	In universities this is called 'Critical Race Theories'...
Jane Elliot	It's called education...
Pat Robertson	So what is it exactly?
Tucker Carlson	It's an attitude designed to dehumanise the individual...
James Adlington	You're made to feel ashamed of your colour, of your race...
Tucker Carlson	...to erase what makes each of us interesting and distinct and vital... and reduce us to faceless members of a group....
Pat Robertson	Critical Race Theory says racism exists everywhere...
Brittany Sellner	It's a horrible thing, just like feminism!
Tucker Carlson	It's not critical race theory... It's racism...
Milo Yiannopoulos	...this brilliantly bonkers idea that only white people can be racist!
Tucker Carlson	It is designed to confuse you...
Pat Robertson	It is a monstrous evil.
Tucker Carlson	It's totalitarian...
Gavin McInnes	I hate racism and racism is white people, so fuck white people...
Peter Vadala	Now that's precisely what children are taught to believe...
Tucker Carlson	Critical Race Theory!
Pat Robertson	Doctor, is there any way out for white people, under this 'Critical Race Theory'?
Lacy Jean	You know what?
Bill O' Reilly	White people are people...
Lacy Jean	You're human, just like me...
Bill Maher	None of us chose to be born white...

Rachel Dolezal	You know, you can't change who you are...
Lacy Jean	No!
Lionel Shriver	The colour of my skin is an arbitrary accident...
Bill Maher	Hating all things white, is just tedious virtue-signalling...
Lacy Jean	Because you know what? Not all white people are racist!
Peter Vadala	In any event, what does this have to do with you being white?
Jane Elliot	What's your question?
Robin DiAngelo	Answer the question, "What does it mean to be white?"
Bill O' Reilly	White people are people...
Bill Maher	And you are not uncool just because you're white!
Rachel Dolezal	You know, you can't change who you are...
Lionel Shriver	Who are you?
Bill Maher	This is what I'm trying to figure out...
Lacy Jean	I know who I am...
Lionel Shriver	Who are you?
Lacy Jean	I am a white girl....
Good Patriot	Hi America! I'm Good Patriot and I'm a racist piece of trash...
Bill Maher	A lame, white loser!
Good Patriot	...well, not a regular racist, I'm actually a subconscious racist.
Michael Palmer	I don't think that I'm a racist, therefore...
Michael Palmer	...I must be a racist.
Tomi Lahren	Ironic!
Good Patriot	I'm so racist that I don't even know how racist I am...
Bill Maher	You wanna be told what a disgusting piece of white shit you are, you white piece of shit.
Michael Palmer	I'm a big racist....
Pauline Hanson	...and white trash!
Isaac Butterfield	Christ!
Bill Maher	I mean that's what you wanna hear, isn't it?
Sarah Palin	...the ugly, ugly charge of racism!
Anon	Tick tock, tick tock...
Joe Rogan	Boom!
Michael Palmer	Ever since Donald Trump was elected president of the United States, virtually every day—either directly or indirectly—I've been told that I am a racist...
Lana Lokteff	Although Trump is president, we live in a leftist-dominated culture...
Lacy Jean	And it's really sad that everybody wants to sit and pull the race card...
Joe Rogan	Boom!
Isaac Butterfield	Why? Because it's popular to do it against white people...
Michael Palmer	You're racist!
Michael Palmer	You know, curb your privilege!
Lionel Shriver	AKA: "Shut the fuck up!"
Anon	Tick tock, tick tock...

Lacy Jean	So I'm sitting here, I'm reading my Facebook, as I do every day...
Michael Palmer	I'd be on Twitter or Facebook...
Lacy Jean	...and again, I'm seeing how white people are racist.
Michael Palmer	...and somebody would... tell me I was a racist.
Lacy Jean	And I want everybody out there to really come correct with your motherfucking selves...
Michael Palmer	Whatever I'd said or posted, was racist!
Lacy Jean	Because you know what? Not all white people are racist!
Michael Palmer	I'd turn on the news and there'd be somebody talking, a politician...
Lacy Jean	Blah, blah, blah...
Michael Palmer	...explaining to me, that basically I was a racist.
Sarah Palin	The ugly, ugly charge of racism!
Michael Palmer	Every day, day in and day out...
Elsa Schieder	Ah, I can just hear the outcry: "bunch of racists, blah blah blah blah."
Good Patriot	Are you recognizing a pattern here?
Michael Palmer	You're racist!
Michael Palmer	You know, curb your privilege!
Michael Palmer	Every day, day in and day out...
Michael Palmer	You're racist!
Bill Maher	Who's the racist, and why?
Anon	Tick tock, tick tock...
Joe Rogan	Boom!
Bill Maher	So, he was called a racist and lost his job, and you were called a racist and lost your job, do I have it right?
Sharon Osbourne	That's exactly how it went...
Bill O' Reilly	This is horrendous!
Sharon Osbourne	Um, it's so many different things... I'm angry... I'm hurt...
Tucker Carlson	It's all so ugly and awful!
Michael Palmer	You're racist!
Tucker Carlson	That's the attitude..
Michael Palmer	How many ways can one be a racist?
Sharon Osbourne	I've been called so many things in my life, I am so used to being called names, but a racist is one I will not take....
Lacy Jean	Why am I classified as a racist because I am white?
Sarah Palin	This is so ridiculous!
Isaac Butterfield	Christ!
Michael Palmer	And the problem is...
Michael Palmer	The feeling that I used to get when I was called a racist, is now gone...
Lacy Jean	I'm so sick of having to feel bad...
Michael Palmer	Now it's almost something that I laugh off... it's like, again?
Lana Lokteff	Yeah, honestly—because it's so over the top, it's become comedy to me!

Michael Palmer	It doesn't mean anything anymore. It's lost its shelf life...
Anon	Tick tock, tick tock...
Tomi Lahren	It's funny: some are calling me 'racist' in the same sentence they call me 'cracker.' Ironic!
Pauline Hanson	That is racist in itself!
Tucker Carlson	It's racism!
Sharon Osbourne	I've been called so many things in my life...
Bill O' Reilly	White trash!
Michael Palmer	You know, blah blah blah blah blah...
Isaac Butterfield	That is racism!
Lana Lokteff	Neo-Nazi, white trash, trailer park girl!
Isaac Butterfield	This is racism!
Pauline Hanson	Well, I've had it up to here with my tolerance...
Bill O' Reilly	I gotta tell ya, I don't even read it, I don't care what they say...
Lauren Southern	I don't care anymore—I don't care if you guys hate me, I'm not looking for your approval anymore...
Milo Yiannopoulos	The time for that is over!
Lauren Southern	Fine, call me a Nazi! Fine, call me deplorable!
Lacy Jean	You wanna think I'm a racist? Think I'm a racist!
Joe Rogan	Boom!
Good Patriot	Okay, let's cut the crap and get down to business...
Anon	White people talking about race....
Jon Stewart	What I don't understand is, why is that white people get so defensive about this?
Erin	White people are being attacked on several different fronts...
Isaac Butterfield	White people are becoming the targets for some strange reason, and it is absolutely disgusting!
Erin	White people feel as though they are specifically being singled out...
Isaac Butterfield	Why? Because they are white!
Erin	They see it as racial discrimination...
Isaac Butterfield	People attacking people because of the colour of their skin, not the content of their character...
Erin	They are the ones that feel oppressed...
Jane Elliot	That's traumatic—that's where the trauma is...
Bill O' Reilly	STOP!
Jane Elliot	...living a lie.
Joe Rogan	Ha haaaaa
Anon	Tick tock, tick tock...
Jane Elliot	It's a lie!
Joe Rogan	Boom!
Cenk Uygur	Obviously, that's not how the good folks at Fox News see it...
Lionel Shriver	Have you noticed how many headlines these days involve race?
Tucker Carlson	Whiteness! White rage!

Bill O' Reilly	It's all about white supremacy, white supremacy, white supremacy....
James Adlington	...this indoctrination going on that, white man bad, white man bad!
Ben Shapiro	Look at me. I mean, do I look like a physical threat to anybody?
Isaac Butterfield	Christ!
Bill O' Reilly	Stop with this!
Erin	These white men feel like they are being singled out as being especially terrible...
Michael Kimmel	The increased amount of violence and anger coming from white men, comes from that feeling of being unjustly victimised...
Erin	They are the ones that feel oppressed...
Wayne Dolcefino	You hear this? This is the problem!
Erin	And if you watch a lot of mainstream news outlets, it's not hard to understand why...
Milo Yiannopoulos	It's currently, in the media, open season on the 'straight white male.'
Lana Lokteff	Let's take a moment to recollect upon just a few articles about straight white men, shall we?
Bill O' Reilly	That is called media bias!
Tucker Carlson	White men! They're the problem! You hear that so often...
Isaac Butterfield	Take for example, Sarah Jeong of the New York Time! In tweets, she said: "It's kind of sick how much joy I get out of being cruel to old white men."
Pauline Hanson	That is racist in itself!
Tucker Carlson	Later she said that white people smell like dogs...
Sarah Palin	This is so ridiculous!
Tucker Carlson	Here's another one, quote: "White people have stopped breeding. You'll all go extinct soon. That was my plan all along."
Isaac Butterfield	Can you imagine the uproar if you changed 'white' to any other colour?
Gavin McInnes	It's fucking ridiculous
Tucker Carlson	It's totalitarian!
Cenk Uygur	Just calm down, everybody's gonna be okay!
Michael Moore	What are you scared of?
Bill Maher	Like a lot of white males... He's owned the world for so long, he's going a little crazy now that he doesn't...
Joe Rogan	Ha haaaaa
Anon	Tick tock, tick tock...
Bill O' Reilly	So this is a big story, right?
Bill Maher	It's about how pathetic and clueless white American males have become...
Cenk Uygur	Now I know that's a big statement...
Jane Elliot	...but that's the way it is!
Bill Maher	Because men have always been in charge, especially white men...
Tucker Carlson	White men! They're the problem! You hear that so often...

Jane Elliot	Now we don't want to admit that...
Joe Rogan	Boom!
Jane Elliot	...but that's the way it is!
Bill Maher	Because for hundreds of years, white penises were America. White penises found America. They made the rules and they called the shots in the workplace, in the home and at the ballot box...
Bill O' Reilly	That was then...
Bill Maher	But now the unthinkable is happening... White penises are becoming the minority...
Bill O' Reilly	...this is now!
Bill Maher	This is what conservatives are really upset about!
Bill O' Reilly	This is horrendous!
Bill Maher	If penises could cry, and I believe they can...
Joe Rogan	Ha haaaaa
Bill Maher	...then white penises are crying all over America!
Anon	Tick tock, tick tock...
Michael Palmer	So what do we know?
Jane Elliot	White people are scared to death right now, particularly white males...
Michael Moore	What are you scared of?
Jane Elliot	They're scared to death that they are going to lose their power in the future, and they are!
Tucker Carlson	Pretty much the entire left now takes that as a matter of faith—they deeply believe that.
Cenk Uygur	The white establishment, it's going—what are we gonna do?
Tucker Carlson	They <i>all</i> think that, every one of 'em...
Lana Lokteff	You know who <i>they</i> is...
Lana Lokteff	Everything they say essentially leads to a world without white people...
Tucker Carlson	But what does that mean exactly?
Pat Robertson	And how is this weaponisation of race becoming a dangerous threat to our freedom?
Bill Maher	This is what I'm trying to figure out...
Lana Lokteff	Understand that the people who call themselves 'anti-racists,' are in fact 'anti-white.'
Bill O' Reilly	Lemme back that up...
Tucker Carlson	Quote: "White people have stopped breeding. You'll all go extinct soon. That was my plan all along."
Lana Lokteff	They want us dead. The left has always fallen back on mass murder, rape, torture and theft. It's what they do!
Isaac Butterfield	White people are being murdered... Why? Because they are white!
Bill O' Reilly	This is horrendous...
Lana Lokteff	They want you—straight, white guy—destitute, suffering... and then dead!
Isaac Butterfield	Christ!

Ben Shapiro	Look at me. I mean, do I look like a physical threat to anybody?
Lacy Jean	No!
Tucker Carlson	And yet this is the mindset the left has imposed on our country.
Joe Rogan	Boom!
Tucker Carlson	In universities, it has become an article of faith, that were it not for the indelible stain of whiteness, America could be a utopia.
Ben Shapiro	If your idea of a utopia is a place where there's no quote-unquote 'white influence'...
Lana Lokteff	Everything they say essentially leads to a world without white people...
Lana Lokteff	And without white people, there is no western culture...
Lacy Jean	I have three babies...
Wayne Dolcefino	You hear this?
Lacy Jean	...I'm scared to death of what their future holds.
Wayne Dolcefino	This is the problem!
Lana Lokteff	They want us dead!
Tucker Carlson	We haven't said that often enough or clearly enough...
Cenk Uygur	Just calm down, everybody's gonna be okay!
Peter Vadala	In any event, what does this have to do with you being white?
Jane Elliot	Right now, white people are really frightened.
Michael Moore	What are you scared of?
Jane Elliot	They're scared to death that they are going to lose their power in the future, and they are!
Cenk Uygur	I hope she's right...
Bill Maher	2010 was the first year in which more minority babies were born, than white babies...
Jane Elliot	Within 30 years, white people will be in the numerical minority...
Bill Maher	This is what conservatives are really upset about!
Michael Moore	They are fanatical about this, because they know their time is up...
Anon	Tick tock, tick tock...
Cenk Uygur	Among new babies that were born, this happened last year:
Lacy Jean	Blah, blah, blah...
Cenk Uygur	Minorities have become the majority, and whites have become the minority!
Michael Moore	So if I could just speak to my fellow angry white American guys...
Cenk Uygur	It turns out now there are more white people dying than being born...
Michael Moore	Dudes, give it up!
Jane Elliot	Within 30 years, white people will be in the numerical minority...
Cenk Uygur	For a lot of us, we think, okay, god bless!
Tucker Carlson	That's the attitude..
Cenk Uygur	Obviously, that's not how the good folks at Fox News see it...
Bill O' Reilly	The white establishment is now the minority...
Cenk Uygur	The white establishment, it's going—what are we gonna do?

Ben Wattenberg	Never before have birth rates fallen so far, so fast...
Bill O' Reilly	This is horrendous...
Jürgen Dorbritz	The total fertility rate in Germany today is 1.3, and it's one of the lowest level in the world...
John Gibson	They're not having enough babies to sustain their population...
Pat Robertson	Now you know!
John Gibson	Why is this important? Because civilizations need population to survive...
Cenk Uygur	White people—make more kids!
John Gibson	To put it bluntly, we need more babies!
Cenk Uygur	I just need white people to make more babies, just because I'm generally concerned about under-population...
Anon	Tick tock, tick tock...
Cenk Uygur	White people—make more kids!
Cenk Uygur	Just calm down, everybody's gonna be okay!
Michelle Wolf	I know... it's really uncomfortable...
Jane Elliot	It is not the intent of white people to let this situation change in favour of anyone but themselves...
Cenk Uygur	White people—make more kids!
Joe Rogan	Ha haaaaa
Ayla Stewart	Now I am serious in that I do believe white people need to have babies...
John Gibson	Do your duty. Make more babies!
Lana Lokteff	We can't restore our civilization with somebody else's babies...
Lana Lokteff	Europeans will not go extinct, we will not disappear! We will not be blended out. We will never be replaced...
Anon	Tick tock, tick tock...
Lana Lokteff	Even you anti-whites know this to be true in the bottom of your soul...
Joe Rogan	Boom!
Lauren Southern	I wanna go back to the identity politics thing here...
Richard Spencer	I care about my people...
Lauren Southern	I don't care anymore—I don't care if you guys hate me, I'm not looking for your approval anymore...
Richard Spencer	I care about my identity...
Lauren Southern	Not only do I not care about your approval...
Richard Spencer	I want to expand and deepen my identity...
Lauren Southern	...but I'm going to get together with other white people and start my own identity politics!
Richard Spencer	Identity politics for white people in the twenty-first century.
Tucker Carlson	But what does that mean exactly?
Robin DiAngelo	Answer the question, "What does it mean to be white?"
Richard Spencer	It is about European people having a sense of themselves...
Lacy Jean	I know who I am...

Richard Spencer	It has to be about identity...
Lionel Shriver	Who are you?
Lacy Jean	I am a white girl....
Joe Rogan	Boom!
Anon	It's okay to be white... My life is not a hate crime... My life is not a hate crime...
Anon	Our country was built on white pride and white civilization...
Pauline Hanson	People have a right to be proud of their cultural background...
Ayla Stewart	Yet when white people want to retain our culture, then we're demonised for it...
Richard Spencer	What we need to think about right now is consciousness...
Anon	It's okay to be white....
JayDaddyRocker	It's okay to be white!
Anon	My life is not a hate crime...
James Adlington	It's perfectly alright to be white...
Anon	My life is not a hate crime...
Peter Vadala	Hey, I firmly believe that it's not just okay to be white...

Lacy Jean	It's the past! Are we gonna live in it for the rest of our lives?
Brittany Sellner	Just because someone is white, they need to bear the burden of all the crimes that every white person has ever committed!
